

Team,

Below please find key production dates planned for CMA enhancements as a result of the new MOS.

These dates can be shared with your teams and the local chairs across your territory.

- |                              |                          |
|------------------------------|--------------------------|
| 1) In and Off in 10 Hours    | - production July 10     |
| 2) 24 Hour Rest Positioning  | - production September 4 |
| 3) Earned Days Off           | - production October 16  |
| 4) Bank Non-Chargeable Miles | - production November 20 |

Thanks,  
Steve
